

# **Early Summer Highlights**

Fun Times at Canobie Lake Park during our first week of the Summer Program.

## Annual Member Awards Announcement

#### Please help us congratulate our Members of the Year, Joe J.and Gracie P.

Joe just completed 7th grade, while Gracie has graduated from 8th grade and is looking forward to attending high school in the fall. While we have literally hundreds of members, all of whom shine in their own ways, these kids were the obvious choice for this honor. In the Club, they are polite and respectful, hardworking and helpful, enthusiastic and encouraging. They participate in almost every activity we offer, encourage peers to join in, and truly make the most of their time in the Club. But they don't stop there - they participate in every service activity they have a chance to. They helped sell holiday wreaths to purchase an AED for the Club, they filled Easter Eggs for the Lions Club Townwide Easter Egg Hunt, and they helped with special events like the Haunted House and Mother Son Dance. These kids epitomize what it means to be a good Club member, and represent us well in all that they do, wherever they go. So congratulations Gracie and Joe, and THANK YOU for making our Club a better place every day!
