

Ending the School Year With BGCL!

Another school year is coming to an end and we are excited to celebrate the achievements of our members! Please note the dates and activities so your child doesn't miss any of the fun!

Important Dates

- **Wednesday, June 20 - Half Day!**

Come Celebrate the last day of school with
BBQ & Annual Awards Ceremony

BGCL Is Becoming A Teen!

On Wednesday, June 27th, BGCL will be celebrating our coming of age celebration as we, like our members, become a teenager! All are welcomed to celebrate with us, even if you're not a part of our Summer Program! There will be a party with cake, laughter and celebration. Bring memories to share and something for our time capsule.

May Members of the Month

Lance L. is a 6th grader, who participates enthusiastically in Club activities, especially sports and gamesroom tournaments. He works diligently on his homework during Power Hour and always helps when needed. Lance is respectful and polite and makes our Club a better place.

Mackenzie B. is a 6th grader who always comes to the Club with a positive attitude. She works hard to make sure everyone feels included, and is a great friend to her peers. She excels at Power Hour and Triple Play activities, but also loves participating in Friday Night Fun and Club service activities.

Alumni Highlights

We are happy to congratulate Jack for graduating from Nashoba Valley High School, Class of 2018! He has been a member at BGCL since 6th grade. He volunteered as a Junior Staff for a year, and joined the team of Program Instructors as an employee this year. Jack brings high energy and fun to our Club activities, including basketball, dancing, and Minute-To-Win-It challenges. He will be attending Manhattan College in the Fall. Jack plans to do a double major with Political Science and Communications.

"I loved my time at BGCL and now I'm ready to go to college"

Jack M.

Maddy has just completed her senior year at Lunenburg High School, graduating with the Class of 2018. Maddy was a Club member since 6th grade, and enthusiastically volunteered as a Junior Staff last year. This year, she joined our team of Program Instructors, and brings energy and enthusiasm to our Club every day. Maddy is willing to participate in almost any activity the Club offers, and she goes out of her way to connect with members and be a friend and a mentor to them. She is looking forward to attending Keene State in New Hampshire this fall. At the moment she is undecided but leaning towards an education major.

"Being part of the club made me realize that I love being around children".

Maddy D.

Stay Tuned

Information for our 2018-2019 After-school Program Registration at BGCL will be available soon. Expect

registration to open in early August.

The BGCL will be updating the website over the course of the summer. Expect a more up-to-date and user friendly website thanks to our awesome intern Alexa!

REGISTRATION
OPENING SOON

Save The Date!
